Customs Trade Partnership Against Terrorism Alert
Small Business Logo

July 2026

Customs Trade Partnership Against Terrorism (CTPAT) is pleased to announce the unveiling of a new logo designed specifically for small businesses. This new logo reflects U.S. Customs and Border Protection's (CBP) ongoing commitment to supporting small business partners in securing the global supply chain. The logo will help small businesses proudly display their participation in the CTPAT program and highlight their dedication to supply chain security. CBP encourages all eligible small business partners to begin using the new logo in their communications and marketing materials. This logo will be available to small businesses with 499 employees or less for CTPAT purposes.

CTPAT
VALIDATED SMALL BUSINESS

CBP is in the process of registering the logo with the United States Patent and Trademark Office, but partners may begin using the CTPAT Partner logo once permission has been granted by CBP via a license. To request use of the logo, CTPAT validated partners must send an email with their company name and CTPAT account number to ctpatlogo@cbp.dhs.gov.

Once the program confirms the company's validated status and company size, CTPAT will email the company with the CTPAT license agreement. The CTPAT partner must abide by the CTPAT licensing agreement, which must be signed by the primary company officer/main point of contact. Once it is signed, send the license back to the email provided, and the program will approve it by countersigning it. After the license is approved, CTPAT will send the partner the graphics file of the logo to be used in accordance with the terms of the license.

Per the CTPAT license agreement, companies may use the logo to promote as a validated small business partner for the following:

- Promotional items, such as coffee cups, and pens, etc.;
- Business materials, pamphlets, flyers, and business cards; and
- The company's website.

Questions about use of the logo or notifications of logo misuse may be sent to ctpatlogo@cbp.dhs.gov. Thank you for your partnership with CTPAT.
